

Spartacus Kids Food & Drink Packages (V1)

PURPOSE

This document defines all food and drink options available for kids bookings by city.

Used by:

- AI agent (food queries)
 - Customer support
 - Sales responses
-

IMPORTANT RULES

- Food and drink options vary by venue
 - Always match the correct city before providing details
 - Never assume availability
 - Use the correct city-specific template only
-

AI USAGE GUIDELINES

When user asks about food:

1. Identify city
2. Match to correct section above
3. Provide structured response using templates

If city is unknown:

Ask:

"What city are you looking at? I'll check what's available for you."

POSITIONING

Food is an optional add-on.

Primary focus should remain on booking the experience.
